Annual Dinner

The Annual Dinner has always been the most important get together function of the Society. In the last two annual dinners, we have received suggestions that we should be modest rather than extravagant both in location and venue. After all, the main intention was to get together our members for an enjoyable social evening.

Details of the coming 4th annual dinner of 2000 are as follows:

Friday, 8th December 2000

Jade Terrace Restaurant

2/F Peninsula Centre

67 Mody Road

Tsimshatsui, Hong Kong

6:30 – 7:30 p.m. Cocktail Reception

7:30 – 9:30 p.m. Dinner

Fee : HK\$450 (member and guest)

Please make your booking by sending e-mail to the society or calling Ms. Jane Chu at 27869009 or fax the return slip to 27861767.

Registration of Registered Safety Auditors

There are over 60 Safety Auditors registered with the Labour Department to-date. Some of whom are members of the Society. Congratulations!

Please note that SAA who have obtained the RSA status can apply for upgrading to Member. Membership of the Society is also open to RSA. Please therefore help by asking your friends to join and support the Society. Application forms are available in our website or by calling Ms. Jane Chu.

Annual Subscription Fee

It was agreed in the last AGM that the annual subscription for Associate members and Members will be increased to HK\$300 & HK\$500 respectively commencing 2001 to bring our books to balance.

SAA Engagement and Payment

ASA are reminded that they should pay the SAA within one year after the audit has been conducted irrespective whether the OSHC has made payment or not.

They are also reminded to engage SAA who are member of the Society only to enhance the integrity and cohesiveness of the members.

Auditing Hours

There are situations that auditors have to leave the site during the audit due to unforeseen situations. Members are reminded that they should reflect such absence in the audit log as well as the audit hour confirmation in the site diary.

SATS

SATS 4 which was the special training course for Safety Auditor training for our members have been completed with the final presentation done last week. Members who are successful in their examination will be able to meet the 6 month deadline for application to be RSA.

SATS 5 has also reached the final stage of their training with the simulated audit conducted last week. Students were given simulated safety plan, document, photographs and interview with role-play auditee.

BS8800 Certification

The procedure for certification for BS8800 has now been established and will soon be placed on the web for information.

Conference of the HK Safety Practitioners 2001

The conference is a joint function by eight safety and health organizations in Hong Kong and will be held in Panglin Hotel, the newest 5 star hotel in Shenzhen on 20-22 April 2001. This is a good opportunity to share our views, observations, research results, etc.

Please look out for details!
