SATS at HK Polytechnic University

The Safety Auditors Training Scheme (SATS) programme organized by the HK Polytechnic University is now at its 10th intake. SASA has been assisting the tuition of the candidates with particular emphasis on the auditing project. This year the assistances are provided by the following members:

Lecturers (each providing 3-4 lectures):

Mr. Victor Chan
Mr. Daron Leung
Mr. Y Y Wong
Mr. C Y Yeung

Supervisors (each is responsible for 4-5 students, work include the conduct and marking of mock audit; role play; supervisory meeting with candidates; assess oral presentation and marking of the audit reports):

Mr. Steve Chan
Mr. Chung King Wah
Mr. Alex Lam
Mr. Clint Lo
Mr. T C Man
Mr. Tang Wai Hung

The fee provided by the HKPU will be distributed to the lecturers and supervisors according to the level of work done after deducting 10% by SASA.

Members who are interested in giving their hands in future courses are welcome to inform the society.

Safety Auditors Conference 2004

This first joint Safety Auditors Confence in Hong Kong will be held on Saturday, 30th October 2004 at the Penthouse, Miramar Hotel, Nathan Road, Kowloon. This function is jointly organized by

the four auditors' associations HKIRSA, HKRSAA, HKSOSA and SASA.

The conference will be officiated by Mr. Fred Ting, Deputy Commissioner for Labour with Mr. Pang Kwok

Lam, Chief Occupational Safety & Health Officer, as the key-note speaker. Other speakers include Mr. Tony Lo, Mr. Peter Cheung, Mr. C Y Yeung and Mr. Y Y Wong.

A buffet lunch is also included after the conference. The fee is \$150 for members is \$300 for non-members. The function is sponsored by a number of corporate supporters and the Occupational Safety & Health Council.

If you have not enrolled yet, please download the application form from our website www.sasa.org.hk and send it in as soon as possible.

SMART

SMART (The Safety Management Audit Rating Tool) which is developed by the Society has undergone a major revision and version 4 will soon be released.

The new version is now in Excel format and is more user-friendly. All problems that were associated with the uploading of the programme and compatibility with computers have been removed. The new version has convenient pop-ups of guidance and help, allows easy entry of observation and recommendations; error identification for wrong score allocation; and instant print-out of individual elements, scores and graph.

All existing users of the programme will receive a copy of the new version free of charge. The new version is expected to be ready in November 2004.
