Cancellation of the August monthly meeting

Since no urgent matters are on hand and that members have met on 3rd August 1998 in the ISAS Annual meeting, it has been decided that the monthly meeting in August be cancelled.

September monthly meeting - should we make it a dinner meeting?

We used to have a dinner meeting but then it subsided due to the lack of interest of some members. It has been proposed that we resume such dinner meeting once every 3 or 4 months so that we can have a more relaxed environment for chatting and a bit of fun - Mahjong? Karaoke? Please indicate your opinion in the return slip below.

Additional Auditing Opportunities

Despite of the fact the Works Bureau has stopped awarding contracts under the ISAS pending review, some of the new contracts awarded by the Works Bureau include the need for conducting Safety Audits in the same manner as ISAS but not administered by OSHC, i.e. the appointment of Accredited Safety Auditors and using the ISAS system. Members are reminded to adhere to

Guidance Note 2/98 in respect of the fee charge for such audits when approached by contractors.

SASA logo Stickers

Each member should have received 2 sheets with 30 logo stickers. Members can use these stickers on safety helmets, computers, reports, reference books, etc. as they wish as long as it does not indicate any authority to represent the society. Members who wish to obtain more stickers can send a cheque to the Society - \$20 for 4 sheets (60 stickers) which will then be posted to you.

SASA Lapel pins

The Society is placing an order for lapel pins which will be distributed to members free of charge. Additional ones may be purchased if necessary.

SASA Ties

Because of the cost of ties, members are required to commit to purchase of the tie before order can be placed. If we have insufficient members wishing to buy the ties, the order will be cancelled. Please indicate your commitment and send the return slip back to the society at 27861767 as soon as possible.
